

Cycle of Freshness

Located both in Rungis and in Avignon, the company was created by Jacques Azoulay in 1969. Now managed by Nicolas Morinière, UNIVEG France specialises in fresh produce like subtropical fruit, out-of-season fruits and citrus. In 2008, it joined the UNIVEG Group.

ACTIVITIES

Production, packing, ripening, export, import and distribution of fresh fruit and vegetables to France, the UK, Spain, Germany, Northern and Eastern Europe.

KEY COMPANY FACTS

- Diversified production allows UNIVEG France to produce and distribute a large selection of fresh produces all year round.
- The key production areas are located in Argentina, South Africa, Costa Rica, Brazil, Peru and Suriname.
- Customers are mainly major supermarket chains located in France, Germany, the UK, Scandinavia and Eastern Europe.
- The UNIVEG France organisation, based on customers' policy has as its core objective to become the leader on the French market with chain stores and wholesalers, by matching its range of products and services closely to the needs of those customers.
- UNIVEG France is certified according to the ISO 9001 standards and all the growers of the group are GLOBALG.A.P. certified.
- All of the warehouses of the group follow the HACCP system.
