

GRUPO YES

COMPANY PROFILE

The company was founded in 1993 and is located in Almería, one of the main production areas of Spain, and became part of the UNIVÉG Group in 2000. Since then, it has focused on the marketing and procurement of a full range of Spanish-produced fruit and vegetables. Grupo YES has solid commercial links with producers and packhouses in all the main production areas in Spain.

ACTIVITIES

The Grupo YES product portfolio includes the full range of vegetables, salads and tomatoes, as well as stonefruit, tropicals and specialities such as asparagus, strawberries, cherries and citrus produced in Spain, Portugal and Italy.
