

Seald Sweet[®] INTERNATIONAL

Located in Vero Beach, Florida, USA, Seald Sweet was founded in 1909 as a grower-owned cooperative and leader of the Florida citrus industry. Upon joining UNIVEG in 1998, the company expanded its product supply through its global network of producers and suppliers to include year-round citrus, grapes, apples, pears and more. Today, Seald Sweet continues to develop and grow its products and services, responding to the ever-changing demands and needs of customers, the market and consumers.

ACTIVITIES

Seald Sweet is a major supplier and global importer and exporter of the full citrus category, apples, grapes, pears and more.
