

UNIVEG KATOPÉ BRAZIL

Located in Salvador, Bahía, UNIVEG Katopé Brazil was founded in 2002 by Christophe Fontaine and became a member of the UNIVEG Group in 2008. UNIVEG Katopé Brazil is managed by Christophe Fontaine.

ACTIVITIES:

UNIVEG Katopé Brazil is specialised in sourcing, packaging and exporting of limes, but also handles large volumes of other Brazilian fresh produce lines.

KEY COMPANY FACTS:

- With more than 10 years of experience, the company has excellent connections with reliable suppliers and customers.
- Being part of the UNIVEG Group allows UNIVEG Katopé Brazil to build a close network with large retailers in Europe and worldwide.
- To provide full service and to meet the growing demands of the suppliers and customers in Europe, USA, Middle East and Brazil, a new team of professionals was set up to support the development of the Brazilian potential in terms of export and import.
- The core business of UNIVEG Katopé Brazil is the export of limes and cloves
