

bocchi flower trade netherlands b.v.

COMPANY PROFILE

Bocchi Flower Trade Netherlands BV was founded in 1984. Over the years the assortment of products has extended to include added value products related to flowers and plants.

Headquarters with a surface of 20,000 m² is based at ABC Westland in the heart of the Dutch market garden area known as 'The Westland'.

CORE BUSINESS

Bocchi Flower Trade Netherlands BV is active in Europe as a processor and trader of ornamental plants and fresh flowers.

The company has a large direct presence in particular in the Netherlands. All goods are packed according to the requirements of customers, in the company's own packing facilities.

A complete range of flowers and plants of all types and sources is delivered at regular intervals to large supermarket chains and large garden centres everywhere in Europe.

Flowers are carefully selected, composed into bouquets and delivered ready for sale to the large scale retail trade.
