

GRUPO YES

COMPANY PROFILE

Grupo YES was founded in 1993 and is located in Almería, one of the main production areas in Spain. Since Grupo YES became part of the UNIVEG group in 2000, it focussed on the marketing and the procurement of all fruits and vegetables produced in Spain.

Today Grupo YES has solid commercial links with producers and packing stations located in all the main production areas in Spain.

Grupo YES is dealing with vegetables and salads from the regions of Almería, Murcia and Granada, as well as with citrus products from the area of Sevilla, Huelva and Córdoba. Grupo YES also markets important volumes of cherries and stone fruits from Extremadura.

Grupo YES develops specific product lines for its customers and maintains close control of its supply with its technical department.

CORE BUSINESS

- Procurement, marketing and trading of all fruit and vegetables produced in Spain for foreign European customers.
- Export to companies belonging to the UNIVEG group as well as to other customers based in Europe.
- Trading of fruits and vegetables for the convenience industry.
