

Cycle of Freshness

### COMPANY PROFILE

Located in Sint-Katelijne-Waver (Belgium), **UNIVEG** Legumex Trade is a leader on the Belgian market in full service supply of fresh fruit and vegetables. It is competitive in sourcing due to the strength of the UNIVEG group. The company offers a complete assortment: fruit, vegetables, mushrooms, herbs and dry fruit, both local and imported, as well as organics. **UNIVEG** Legumex Trade is always on the lookout for innovation in the assortment and efficiency of service. Particular attention is paid to quality management, with BRC certification.

### CORE BUSINESS

- Import and local sourcing, as well as packing and distribution of the full range of fresh fruit and vegetables for the Belgian retail market.
- Specialised in offering the largest assortment of mushrooms: from classic white to all the different types (wild or cultivated) in Europe and the Far East.
- Full service: sourcing, buying, packing, distribution, transport and marketing.
- Own packing facilities to repack based on the specifications of the customer.
- Category management services for the retail sector.
- UNIVEG Legumex Trade is certified to pack and distribute a full assortment of organic fruit and vegetables.
