

Cycle of Freshness

COMPANY PROFILE

UNIVEG Expofrut Uruguay is located in Paysandú, Uruguay. It was founded as Forbel in 1986 and has contributed over the last 20 years to the development of the Uruguayan citrus and blueberry industry. In 2009 Forbel became UNIVEG Expofrut Uruguay.

It is a vertically integrated company (from production to delivery) and focuses constantly on delivering high quality products.

UNIVEG Expofrut Uruguay is BRC, HACCP, and TNC certified and imposes strict conditions on suppliers to meet the GLOBALGAP quality standards.

CORE BUSINESS

- Leading exporter of fresh citrus products and blueberry produce.
- Packing, degreening, precooling and cold storage of different varieties of citric fruits.
- Exploitation of 700 hectares of citrus in the Paysandú department.
- Main export markets: Europe, Canada and Russia.
