

Cycle of Freshness

COMPANY PROFILE

Located in Rungis (France), UNIVEG Katopé European Services (KES) was founded in 1986 and became part of the UNIVEG group in 2008.

Today Mr Roger Azoulay is the Managing Director. UNIVEG KES is strongly affiliated to the other French companies belonging to the UNIVEG group.

UNIVEG KES is responsible for the logistics, the paperwork and the financing of the fresh South African products in Europe.

CORE BUSINESS

The core business of UNIVEG KES is:

- To facilitate the transport of the fresh produce coming from South Africa upon arrival at the end user in Europe and to control the quality and related costs
- To comply with the legislations related to the entry of the goods, clearance, insurance, and logistics according to European law.
