

FORBEL

Forbel is located in Paysandú, Uruguay. It was founded in 1986 and has successfully contributed over the last 20 years to the development of the Uruguayan citrus and blueberry industry.

It is a vertically integrated company (from production to delivery) and focuses constantly on delivering high quality products.

Forbel is HACCP certified and imposes strict conditions on suppliers to meet the GLOBALG.A.P. quality standards.

CORE BUSINESS

- Leading exporter of fresh citrus products and blueberry produce.
- Packing, de-greening, precooling and cold storage of different varieties of citrus fruits.
- Exploitation of 604 hectares of citrus and blueberries within a radius of 25 km from Paysandú.
- Main export markets: Europe, Canada, Russia, USA and Brazil.
